

Aquest llibre inclou una selecció de textos aportats per participants en la campanya @donantsdeveu de 2021. Inclou principalment una selecció de les *Llegendes catalanes* publicades el 1881 per Maria del Pilar Maspons i Labrós (1841-1907) sota el pseudònim Maria de Bell-lloc. Aquest recull de llegendes constitueix un treball no prou valorat dins la tradició literària catalana. Maria del Pilar Maspons recollí i reelaborà un corpus de llegendes amb un mètode que avui anomenariem "etnogràfic", parlant amb gent del poble pla, a la guisa dels treballs dels germans Grimm i molts altres folcloristes europeus. Complementa el recull *Sa mare de Sant Pere*, una narració de Joaquim Ruyra i Oms (1858-1939) inclosa en la seva obra *La parada*.

This book includes a selection of texts recorded by participants in the @donantsdeveu campaign of 2021. It includes a selection of the *Catalan Legends* published in 1881 by Maria del Pilar Maspons i Labrós (1841-1907) under the pseudonym Maria de Bell-lloc. This collection of legends has not been sufficiently valued in the Catalan literary tradition. Maspons collected and reworked a corpus of legends with a method we would now call "ethnographic", by speaking to ordinary people from the countryside, in the manner of the Brothers Grimm and other European folklorists. The collection is complemented by *Sa mare de Sant Pere* 'St. Peter's Mother', a narration by Joaquim Ruyra (1858-1939) included in his book *La parada* 'The Stopover' (1919). -- Summary by Joan Pujolar
